

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of Holiday River Expeditions, Inc. , and Holiday River Expeditions of Idaho Inc., dba Holiday Expeditions, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "HE"), I hereby agree to release, indemnify, and discharge HE, on behalf of myself, my children, my parents, my heirs, assigns, personal representatives and estate as follows:

1. I acknowledge that my participation in river rafting activities entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: whitewater rapids will be encountered. I can be jolted, jarred, bounced, and shaken about during rides through some of these rapids. It is possible that I could be injured if I come in contact with food boxes, storage containers, or other fixed equipment necessary to the operation of the expedition. Rafts could turn over or I could be "washed" overboard resulting in having to swim rapids risking collision with rocks and entanglement in trees and other obstructions. I understand that the initial shock of exposure to cold water can be dangerous and that prolonged exposure to cold water can result in hypothermia and in extreme cases death and accidental drowning. I can slip or fall during a hike, resulting in personal injury. Accidents can occur getting on and off the raft. Rafts are slippery when wet. Accidents can occur during transportation to and from the trip embarkation point in fifteen passenger vans or other conveyance. Exposure to the natural elements can be uncomfortable and harmful. I am aware that this exposure could include sunburn, dehydration, exhaustion, heat stroke, heat cramps; exposure to potentially dangerous animals, insect bites, poisonous plants. Accidents can occur due to improper lifting, equipment failure, my own physical condition and exertion associated with the activity.

Furthermore, HE employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements, or other environmental conditions. They might give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks. I agree to wear a US Coast Guard approved life jacket while participating in this activity.
3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless HE from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of HE's equipment or facilities, **including any such claims which allege negligent acts or omissions of HE.**
4. Should HE or anyone acting in behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold then harmless for all such fees and costs.
5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such an injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.
6. In the event that I file a lawsuit against HE, I agree to do so solely in the state of Utah, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against HE on the basis of any claim from which I have released him or her herein.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
